All babies under one and their mums/dads are very welcome at 'Under Ones' which takes place every Tuesday morning this month except for December 29th. The Church Centre is open between 10 o'clock and 12 noon for refreshments and a chance to meet other people with young babies. We ask mums not to bring older children so that 'Under Ones' remains specifically baby orientated.

Litterbuster - Tesco Trolleys

This is directed at those of you who abandon trolleys around the village.

Tesco's collect a certain amount of these abandoned trolleys and I feel they are doing their best to help keep this problem under control, but what are we the villagers doing to help? I am forever taking trolleys back to Tesco's, that have been left on or by the Spine path, which leads from Little Meadow down to Tesco's. There are certain residents that continually leave a trolley outside of their back gate. I have been returning these on average three times a week. One evening, last month, a resident on a bike collided with one of these trolleys. The children had been playing with it and left it on the path. On a dark night it is not easy to see any obstacles that are on the path way. This could have been a very nasty accident.

If you must take a trolley home, why can't you return it yourself, don't expect others to do it for you. Apart from being an eyesore to the rest of the villagers they can be a danger and nuisance too.

Think of others. Take your trolley back!

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL CONTY COUNCILLOR

Dear Resident,

The County Council some 12 months ago agreed with the Parish Council to jointly promote a by-law prohibiting dog fouling on the Village Green and Education Sports Field/Playground. However, I have recently been informed that the County Solicitor has now advised that this will not be possible and that the School land cannot be protected by this new by-law. I am deeply concerned at this change of advice and in colaboration with the Chairmen of the Parish Council and School Governors, I am arranging to meet Senior Officers of the County Council to try to solve this particular issue. We must adequately protect our children from diseases which can result from dogs fouling their play areas.

The County Council has recently approved a new strategy to be implemented over the next few years for the County Farms Estate which is let to approximatley 900 tenants. The new strategy encourages tenants to find alternative sources of income through growing new crops, diversification and development of current opportunities. Also, where possible, when tenancies become vacant to increase the size of individual holdings to achieve greater viability and to encourage young entrants into farming. An emphasis will be put on extending recreational opportunities for the general public, enhancing the landscape and support for wildlife. This strategy will be supported by the Countryside Commission, the EEC and the Ministry of Agriculture, Food and Fisheries.

The Social Services Department have recently approved re-organisation which enables the service to be managed on a more local basis, the County will be divided into 19 area teams with increased access points in towns and villages throughout the County. This will give greater responsibility to local Officers in delivering improved services, reducing beaurocracy and giving the public better access to advice and support. The changes come into effect on 1st April 1988.

The County's Transportation Committee have accepted my proposals to hold Public Meetings in South Cambridgeshire to explain the policy of "Park and Ride" and how it will affect local people. These Meetings are to take place in the New Year and will be widely publicised in the local press.

A reminder to all electors to check the new Electoral Roll to ensure their names have been included. The Electoral Rolls are now on display in local Post Offices in their draft form. If your name has not been included, and you are eligible to vote, and have been resident in the area prior to 12th October, you can get your name included by contacting the Electoral Registration Officer, South Cambs. District Council, 9-11 Hills Road, Cambridge by mid December.

If anyone wishes to contact me, please telephone "Careline" Crafts Hill 80975 or write to Councillor John Reynolds, 4 Pettitts Close, Dry Drayton.

POLICE MATTERS

1. A reminder to everyone to be especially careful about security of your homes. I am sad to have to report a little series of burglaries in the village so please be vigilant in respect of strange callers. strange vehicles etc.

2. We also seem to have a cycle Kleptomaniac on the loose. Several pedal cycles have gone missing recently, mainly from outside Tescos - so remember - LOCK IT OR LOSE IT!!

On the subject of cycles. a small mauve coloured childs cycle and the remains of a black chopper bike are awaiting claimants. Please contact me if you think they might be yours.

3. And finally a plea to parents not to send small children alone to The Mall or Tescos for those little things you have forgotten. There are thousands upon thousands of people visiting Tescos each day especially in this pre-Christmas period - the dangers are obvious!! I will shortly be repeating the Say No To Strangers campaign at the School to emphasise the point with the children.

Following my recent election to represent Bar Hill, Oakington and Westwick, I have already attended my first full meeting of South Cambridgeshire District Council. This was a formal meeting to ratify decisions taken at committees during the previous months.

At the meeting I was able to meet many members and was made most welcome by them. I was impressed by the business-like way in which Council matters were conducted in a firm yet tolerant manner.

I have been asked to serve on the Environmental Services and Health and General Purposes Committees and I look forward to my first meetings which take place at the end of November.

If you feel there are nay local matters which you would like to discuss with me, please do not hesitate to contact me at 61 Foxhollow, Bar Hill, Telephone Crafts Hill 80358.

Notes from South Cambridgeshire District Council

THE HEARTBEAT AWARD SCHEME

Recently there has been a national campaign to promote more awareness regarding healthier eating habits in a bid to reduce the number of deaths from coronary heart disease.

The scheme focuses on three main areas in which certain criteria have to be fulfilled:

1. The PROVISION OF HEALTHY FOOD CHOICES. Healthy eating involves reducing the amount of fatty foods and increasing the amount of fibre

2. GOOD STANDARDS OF HYGIENE. The HEARTBEAT AWARD SCHEME requires that premises and practices must comply with the law, and 30% of food handling staff should be appropriately trained and qualified

3. PROVISION OF NO SMOKING AREA. A minimum of a third of the eating area must be clearly designated as NO SMOKING

I am very pleased to say that Bar Hill has featured in awards in this campaign, which are as follows:

TESCO STAFF CANTEEN and TESCO COFFEE SHOP

and the Managers of these departments have been presented with Certificates to denote their success.

Schering's Works Canteen (Harston) was similarly honoured.

Alec Green,
District Councillor,
